

Coming to Historic Downtown Morganton – Fairfield by Marriott

WELCOME TO THE BEAUTY OF SIMPLICITY™

The Fairfield by Marriott Morganton Downtown Historic District is the newest escape at the foothills of the Blue Ridge Mountains in western North Carolina. Guests will find simplicity and functionality throughout our hotel, starting with a complimentary hot breakfast and free Wi-Fi throughout their stay. On-site amenities like a fully-equipped expansive fitness center, outdoor pool, and an on-site bar featuring craft cocktails offer escapes from the normal and mundane, while our business center and on-site boardroom enable guests to get down to business. No matter what brings you to the area, you can trust the Fairfield Morganton Historic District to deliver on great service and quality amenities.

UNIQUE BAR AND CUSTOM DESIGN MEANS A LOT TO LOVE

Experience our on-site bar, The Magnolia Room, named after the beautiful Magnolia tree that grew on the site of the hotel. Custom-built tables from the wood of tree help to create a cozy, rustic setting, where craft cocktails are the focus that bring to light the flavors and craftsmanship of Appalachia.
