Discussion: Councilman Ogle shared that he was looking into golf carts and wanted to look into an ordinance for the Town of Valdese. Chief Moss shared that he has spoken to several Towns and private communities that have a golf cart ordinance. Chief Moss's primary concern is the main roads in Valdese are our heaviest traveled roads, with some being State maintained roads, especially on Eldred, where there have been accidents. The other concern is the insurance on the golf cart. Chief Moss explained once they get a permit from the Police Department, they can drop the auto liability insurance after the first month, and Chief Moss is very concerned about that. Chief Moss does not feel like golf carts are safe traveling on our roads. Chief Moss is not opposed to the draft ordinance but feels if the State already has something in place, let them regulate it. Councilwoman Hildebran asked if this ordinance is approved for the Town of Valdese, would it have jurisdiction over those citizens that already have DMV approved golf carts that travel on the roads. Chief Moss said no. Councilwoman Hildebran has concerns around the safety of having more golf carts on the road and feels we would have to educate our citizens on the difference between a regular golf carts versus a DMV golf cart. Councilwoman Stevenson feels there are safety concerns and it would put a lot of work on the Police Department. After a brief discussion, the Town Council decided not to pursue a Town golf cart ordinance at this time.

RESOLUTION & ORDINANCE FOR LAKESIDE DRIVE – PUBLIC VEHICULAR AREA: Chief of Police Jack Moss presented the following proposed Resolution and Ordinance establishing Lakeside Drive as a public vehicular area. Chief Moss explained that this would allow the Town to regulate the speed limit on Lakeside Drive. There will be 20 mph speed limits signs placed along the road and a sign stating that it is an industrial entrance.

RESOLUTION ESTABLISHING LAKESIDE DRIVE
AS A PUBLIC VEHICULAR AREA, ESTABLISHING
A REASONABLE AND PRUDENT SPEED FOR LAKESIDE DRIVE, AND PROVIDING FOR PARKING
RESTRICTIONS

WHEREAS, the Town of Valdese is the owner of a paved road running from Lovelady Road to Lakeside Park in the Town of Valdese. This road also provides a means of ingress and egress to the Town

of Valdese Wastewater Treatment Plant. This road is known as and hereafter referred to as "Lakeside Drive"; and

WHEREAS, G.S. 20-4.01(32) defines a public vehicular area as any area that is used by the public for vehicular traffic at any time, including by way of illustration and not limitation, any road or parking lot upon the grounds and premises of parks maintained and supported by a subdivision of the State of North Carolina such as the Town of Valdese; and

WHEREAS, Lakeside Drive provides the sole means of ingress and egress to and from Lakeside Park; and

WHEREAS, the town council desires to confirm that Lakeside Drive is part of Lakeside Park and therefore a public vehicular area as defined by G.S. 20-4.1(32); and

WHEREAS, G.S. 20-141(a) provides that no person shall drive a vehicle on a public vehicular area at a speed greater than is reasonable and prudent; and

WHEREAS, the town council of the Town of Valdese, with advice from the Valdese Police Department, has determined that any person driving a vehicle on Lakeside Drive at speed greater than 20 mph would be driving on that public vehicular area at a speed that is greater than is reasonable and prudent; and

WHEREAS, one or more 20 mph speed limit signs should be erected along Lakeside Drive to make the public aware that exceeding a speed of 20 mph on Lakeside Drive is considered to be driving at a speed greater than is reasonable and prudent,

NOW, THEREFORE, THE TOWN COUNCIL ADOPTS THE FOLLOWING ORDINANCE as Article U of Part 7 of the Code of Ordinances:

ARTICLE U

Section 7-1250

Lakeside Drive is a public vehicular area.

The paved road known as Lakeside Drive, which runs from Lovelady Road to Lakeside Park, is part of Lakeside Park. Lakeside Drive is therefore a public vehicular area. (see G.S. 20-4.01(32)(1)).

Section 7-1251

Presumption of G.S. 20-141(a) violation.

The town council, upon recommendation of the Valdese Police Department, finds that driving on Lakeside Drive at a speed greater than 20 mph would be operating a vehicle at a speed greater than is reasonable and prudent. It is therefore presumed that any person operating a vehicle on Lakeside Drive at a speed greater than 20 mph would be violating G.S. 20-141(a).

Section 7-1252

Erecting speed signs.

One or more 20 mph maximum speed signs shall be installed along Lakeside Drive to provide notice to the public that operating a vehicle on Lakeside Drive at a speed greater than 20 mph is presumed to be operating at a speed greater than is reasonable and prudent in violation of G.S. 20-141(a).

Section 7-1253

Parking.

No person shall park a motor vehicle on or along the side of Lakeside Drive or on any other part of Lakeside Park except in those parking areas established and marked as such by the Town of Valdese. In addition to all other available remedies, a violation of this section is punishable as provided in Section 7-1230. The owner of a vehicle parked in violation of this section shall be deemed to have appointed any appropriate law enforcement officer as his agent for the purpose of arranging for the transportation and safe storage of such vehicle.

Adopted the 5th day of October, 2020.

AWARD OF BID – LAKESIDE PARK PHASE I: Parks and Recreation Director Doug Knight presented Council with an award of bid for the construction contract of phase I. Mr. Knight shared that in 2018 the Town acquired a 300-acre tract of land along Lake Rhodhiss with the intention of a future park area with trails and other outdoor features. Since that time, the Friends of the Valdese Recreation and Town staff have teamed up with Destination by Design to develop a plan for Lakeside Park. Mr. Knight explained that the park design and engineering have been completed over the past several months and went out for bids in September 2020. Due to the size of the project, it required a formal sealed bid process. Mr. Knight said

REF: North Carolina Department of Labor Safety Awards

The goal of the Safety Awards Program is to recognize those entities that go the extra mile to promote safety in the workplace. For the year 2019, each Town Department received recognition from the North Carolina Department of Labor for their prevention of work place injuries and illnesses. These achievements are due in part to our Department Heads and employees working and training together to ensure that safe workplace practices are followed, and safety is first and foremost in everyone's job description.

Those Town Departments receiving Safety Awards for the year of 2019 are as follows:

- Administration (32nd consecutive year)
- Community Affairs (9th consecutive year)
- Fire Department (5th consecutive year)
- Police Department (1st year)
- Public Works (2nd year)
- Recreation (9th consecutive year)
- Water Department (3rd consecutive year)
- Waste Water Department (4th consecutive year)

Particular attention should be paid to those Departments receiving consecutive Safety Awards, especially departments where accident rates are usually elevated due to the nature of their work.

Thank you.
