

Automated Cart Placement Guidelines

Place recycling cart no closer than 5 feet from mailboxes, flower beds, bushes, fences, etc....

Place recycling cart no closer than 5 feet to another cart or object.

Place recycling cart no further than 3 feet from the street.

Place recycling cart with lid opening facing the street (wheels facing house).

Be sure to close the lid.

Do not place the recycling cart close to parked cars.

Please do not stack extra recycling (or any items) against, close to, or on top of recycling cart.

Please have your recycling cart out at curbside by 6:00 AM on your pick up day.

Dead-end and one-way collection streets

It may be necessary to designate particular streets as [One Side Collection Only]. Affected residents may be required to place their recycling cart on the opposite side of the street from their residence. Those affected will receive additional notification about cart placement.

For questions about cart placement please call Republic Services at 828.219.3347

Thank you for helping us serve you better.

ATTENTION RESIDENTS OF TOWN OF VALDESE

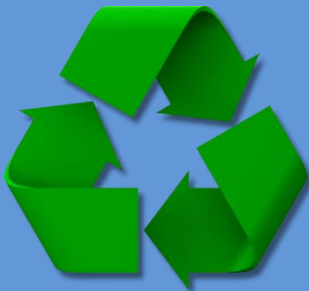

New Automated Cart Program Coming Soon!

Your new 96-gallon recycle carts
will be delivered between
September 26 – October 1, 2016!

The new automated recycle program will begin
October 5, 2016.

LOOK FOR YOUR RECYCLING CALENDAR ENCLOSED

RECYCLING

Recycling is collected every other week on **WEDNESDAY**. Look for your recycling calendar enclosed. Please place your recycle cart at the curb the night before or by 6:00 am on your scheduled day. The 18-gallon recycle bin will no longer be serviced effective October 1, 2016. If you no longer have a use for your old 18-gallon recycle bin, you can place it in your new 96-gallon recycle cart so that Republic Services can recycle them. Please maximize your recycling participation.

Properly prepare your recyclables by rinsing, flattening (if possible). Do not bundle or bag. Plastic lids, bottle caps and labels are OK to leave on.

Yes! Put these items in your roll-out recycle cart:

- all plastic bottles and containers (#1 – #7)
- wide-mouth plastic containers & lids
- rigid plastics
- mixed paper, newspapers with inserts, junk mail
- computer paper, office paper, color paper, envelopes
- gift wrapping paper (without foil backing)
- magazines, telephone books, paperback books
- cardboard, gift boxes, shoe boxes (flattened)
- pizza, cereal & food boxes (no food debris)
- milk & juice cartons & boxes (must be empty)
- aluminum cans, steel cans including lids
- aluminum foil (no food debris)
- glass bottles & jars (all colors)
- empty aerosol cans (no paint cans)

No! Do NOT put these items in your roll- out recycle cart:

- plastic bags, plastic film or wrap
- food & candy wrappers
- styrofoam
- waxed cardboard
- rubber or tires
- hazardous waste, electronics & paint
- glassware, light bulbs, plate or window glass
- clothing or fabric
- household garbage or food waste

IMPORTANT REMINDERS

- Trash is collected every week, by the Valdese Public Works, on your current pick up day.
- **WEDNESDAY is RECYCLING DAY.** Recycling is collected every other week, by Republic Services, on Wednesdays (see attached recycling calendar).
- The recycling calendar corresponds to two separate recycling service areas within the Town. Please reference the calendar designated to your area.
- On your first recycle pick up day, you can place your old 18-gallon recycle bin in your new 96-gallon recycle cart so that Republic Services can recycle them.
- The 18-gallon recycle bin will no longer be serviced effective October 1, 2016.
- Don't overfill the cart; the lid must close.

AUTOMATED WASTE & RECYCLE COLLECTION TIPS

The automated roll-out waste & recycle collection program will result in a cleaner, more attractive environment as well as safer working conditions for our collectors. The new garbage & recycle collection system uses one type of container that will be emptied by automated equipment, making the process faster and safer. Wheeled carts make garbage & recycle collection easier for everybody. Carts are stable and designed to not blow over, even in high winds; lids are attached and snug-fitting to keep animals out; and carts also have a smooth interior, making cleaning easier.

To better service our customers, we ask you please:

- Place your container(s) at the curb by 6:00 am on the morning of or the night before your scheduled service.
- Place the container(s) within 3 feet of the curb with the handle and wheels facing away from the street.
- Make sure the container(s) is at least 4-5 feet from your recycle or other roll-out cart, trees, mailboxes, cars, yard waste, utility poles, or any other obstructions.
- Place all recyclable items in the Republic Services cart for collection by our automated truck. Do not leave recyclables outside the roll-out container.
- Notify us if your cart is damaged or stolen.
- Don't place construction debris, yard waste, or hot ashes in the recycling cart.
- Don't overfill the cart; the lid must close.
- Don't pack recycle contents too tightly.
- Don't paint or write on the cart.
- Don't remove the cart from your residence.
- Don't put recyclable materials in the TRASH cart.
- Don't put garbage/trash materials in the cart marked RECYCLE.

HELPFUL ANSWERS ABOUT YOUR SERVICES

- Your TRASH cart will be serviced one time per week by the Valdese Public Works Department; your RECYCLE cart will be serviced by Republic Services every other week on Wednesdays (see attached recycling calendar).
- If you no longer have use for your old 18-gallon recycle bin you can place it in your new 96-gallon recycle cart so that Republic Services can recycle them.
- Your first collection day will either be on Wednesday, October 5th, 2016 or Wednesday October 12th, 2016 depending on which side of town you reside. Service will continue on every other week from then on. Please refer to your collection day schedule.
- The 18-gallon recycle bin will no longer be serviced effective October 1, 2016.
- Dead-end and one-way streets
Due to the nature of automated collections and/or safety concerns, it may be necessary for all residents located on dead-end or one-way streets to place their recycling carts on one side of the street for collection. This may require some participants to place their recycling cart on the opposite side of the street from their residence. During the initial startup phase, the driver will relocate the cart for servicing and leave notification concerning future placement.
- We operate all holidays except Christmas Day.
